STAR MALL - DADAR

We have solutions as you required.

Redefining the dynamics of Aluminium Architectural Field, we at **PERFECT GLASS HOME** have added some premium quality projects in our profile, in last couple of years.

We believe in doing the right things for the right reasons, as individuals and as a company. As the leading Glazing Fabricator, we offer comprehensive, sophisticated services unique in our field.

We provide **BEST solutions** that meet our Client's practical needs." Our motto is client's satisfaction, timely completion and repeated customers to our client.

Our strength is expertise people in our field, in house designing team, Quality control and our experience to our work even in any situation.

We believe that the success of every project depends upon successful planning & design.

We offer detailed specification & design with drawing proposals taking into consideration the client's requirement & budget associated with it.

We provide a professional project management service managing the complete glazing contract from initial site meeting right through to completion.

We have gained a great deal of experience managing a wide range of contracts. Our site managers will be appointed to manage each & every contract ensuring our installation target are kept within agreed program.

We believe that our products are an investment for life for our clients & we enhance that security by providing one of the strongest warranties in our segment.

BANK OF BARODA - BKC

URMI CORPORATE PARK - POWAI

We baptized in strong & ethics strongly believe in the "value of Money" syndrome. Hence our pricing policy thoroughly depends on the niche segment we service.

Our segment clients are the customers who want the best quality at most affordable prices. We successfully deliver the full value of money spent on our products. Our just in time approach has enabled our company to perform under strict deadlines and our experiences has added value to our commitments.

Our quick response is not limited to the delivery of the structure, but also the after sales service which is our forte. If unforeseen problem do occur, our team cares enough to get things back on track immediately on a salvage time.

Our mission is to differentiate ourselves from other competitors through out product range, service & commitment to quality. we want to work "with" the client as apposed to "for" the client and offer more competitive alternatives to a required specification whilst meeting budgetary targets.
